

Miami WPOW-FM John Wick Script 3

Afrika- Hey Lip don't judge me but I'm thinking I may go see John Wick again!

BIGLIP- (Laughs) I don't blame you, I was actually thinking the same thing!

Afrika- I can totally relate to his character in a way, I mean we've all had feelings of wanting to get revenge on someone right?

BIGLIP- WHOA AF! We are cool right?

Afrika- (laughs) YES LIP, I'm just saying Keanu Reeves playing the revenge role was pretty cool.

Big lip-yeah, I just loved all the action in this movie. I mean, it was NON STOP. Hands down, the best action film of the year!

Afrika- yes, the action scenes are so INTENSE and I'm gonna go ahead and say this is Keanu's best work in YEARS!

Big lip- SO TRUE. In terms of action, drama and excitement this film got it RIGHT!

Afrika- AGREED. John Wick is a total must see plus it's so fun to see Keanu single handedly take apart the competition! You do NOT wanna mess with John Wick!

BIGLIP- she's right! So you gotta go check out John Wick when it hits theaters this Friday October 24th! You won't be disappointed walking outta there!

Afrika- It's a thing of beauty!

Lip- See, it's official, me and Af both agree it's the best action film of the year!

Afrika- John Wick in theaters this Friday!
