

MIAMI WPOW-FM SCRIPT ONE JOHN WICK DJ INFLUENCERS :60 / BIG LIP and AFRIKA

Big Lip- You know Afrika... The laughing joke in my family is that I always fall asleep at the movie theatre. But that did not happen with John Wick!!!

Afrika..... Wow I'm proud of you... Wasn't the movie incredible?

BIGLIP- I don't even look at Keanu Reeves the same... I was so impressed with his performance..... it was action packed from beginning to end.....Keanu Reeves is a total badass

Afrika- you telling me, in my opinion it's the best on screen action I've seen since the matrix

BIGLIP- since the matrix? I'm going to go as far as saying, it's his best performance. EVER!!!!!!!!!!

Afrika- come to think of it... You are right... My favorite part is in the beginning when they killed...

Big lip-(interrupts) Stop!!!!!! You are going to ruin it for everyone who hasn't seen it

Afrika- or how 'bout the part when the girl

Big lip- (interrupts) stop aff!!!

Afrika- or at the end when they are fighting on the pier and Keanu Reeves takes the gun. And.....

BIGLIP- enough already!!!!!!!!!! John wick is a must see. Make a note of it.

In theaters Friday October 24th, the best action film of the year. I got such an adrenalin rush just watching it.... I promise you won't be disappointed, even though Afrika almost ruined it for you.

Afrika- whatever! Make sure you check it out. John Wick in theatres this Friday!
